

**Hyde No. 2 President's  
Cask 10 year old**

**46%**

Saturated with tropical fruits, banana, butterscotch, barley sweetness, marzipan, creamed coconut, and a fine thread of spice after the 8 month finishing period in dark Caribbean rum casks. This is a huge vehicle for flavor: silky and thick mouthfeel with sweet citrus, honey, mango, guava, passion fruit, Seville orange, and a sting of bitterness to keep your taste buds on their toes. Spice is merely a bit-part player.

—Vol. 26, #3
