

Amrut Rye Single Malt

50%

What's a rye single malt, you ask?
It's 100% malted rye distilled in
pot stills, bursting with rye spices,
thick toffee, malt loaf, chocolate,
licorice, burnt sugar, and tropical
fruits. Praline, cinnamon, and
burnt orange flavors succumb to
an assault of spice, tropical fruits,
and licorice, ending with virgin
American oak char before a gum-
numbing aniseed finish of
Fisherman's Friends. Water just
mutes the enjoyment, so leave it.
