

## Teeling Brabazon Bottling Series 1

49.5%

William Brabazon, 3<sup>rd</sup> Earl of Meath, once presided over Newmarket, the area of Dublin the Teeling Distillery now calls home. Clean lemon-ozone character, with peach, apricot, and melon, the sherry finessing the distillery character. There's further fruitiness apparent on the palate; oaky chardonnay notes, more melon, and warm orange, though the strength burns through.

Grapefruit and gooseberry sharpness keeps this zingy and fresh above a sweet toffee base.
