

Box 2nd Step Collection 

03
51.3%

For those interested in transparency, the detail Box releases about each bottling is staggering; e.g. 5% of this whisky was matured in medium-toasted Hungarian virgin oak. This one is for Islay fans, showing more peat than smoke; nutty, and replete with barley notes. Approachable at cask strength: melon, bright citrus, tropical fruits, burnt orange, and plenty of pepper. We hear the first U.S. release from Box is imminent.
