

**Gordon & MacPhail
Reserve (distilled at
Glenrothes)**

18 year old, 1986 vintage, 46%

It's nice to see Gordon & MacPhail bottlings at strengths higher than 40%, and it makes this already hefty whisky even more so. It is fragrant (with subtle heather notes), rich and malty (and quite thick in texture), with notes of honey and vanilla. Interwoven fruit (sultana, along with subtle lemon and orange) add complexity. All this sweetness is rounded out nicely with a long, dry, oaky/spicy finish. A delicious, evolving whisky. (Bottled exclusively for Binny's Beverage Depot.)
