This noble Scot consists of a blend of 20 different whiskies and impresses with its nose of hazelnut, dark chocolate, vanilla pod, menthol, peppercorn, and wisps of damp wood smoke. Warm chocolate fudge, mellow spices, dark burnished orange, smooth oak, old leather, and malted milk. The mouthfeel is weighty enough to sustain the heavyweight flavors. Long finish of dark rum, cocoa, and spiced chocolate. Just add your own favorite leather armchair. Value pick.
