

Inchmoan Vintage 1992

48.6%

A peated malt from Loch Lomond, this vintage expression spent 25 years in refill bourbon barrels. A delicate, mildly smoky nose, with vanilla, gentle spice, black pepper, and a subtle medicinal characteristic. Soft and fruity on the palate, with encroaching earthiness and dry peat smoke. The smoke lingers in the lengthy finish, with vanilla, aniseed, and spicy, slightly tannic oak.
