

**Grangestone 12 year  
old Highland single  
malt  
40%**

The nose is inviting, with marzipan, malt, ripe bananas, milk chocolate, and cinnamon. Green fruit notes emerge later. Very sweet on the smooth palate, with bubble gum, satsumas, peaches, and delicate spice. The finish is medium to long and persistently sweet and fruity, with a hint of dark chocolate at the end. Sure to satisfy a sweet tooth.
