Single Grain (distilled
at North British) 10
year old
50%**

The nose has a conspicuous grain quality to it, like a bouquet of flowers in a nail salon. In addition to acetone, there is orange fondant and the smell of new Legos. Soft marshmallow and orange cream dilute to strawberry candy, soft peaches, and pineapple, but it's all swept aside by a Tabasco jackhammer that ricochets between the tongue and palate. Finish of Gatorade fruit punch and ginger root. (246 bottles)

—Vol. 26, #4
