

**Angel's Envy Cask  
Strength (2017  
Release)  
62.25%**

Initially, it's extremely perfume-like, with floral notes often found in fragrances. Then the fruit completely takes over: banana, blueberry, plums, cherry, apple, pear, and quince. Of these, the banana lingers until chocolate and vanilla enter the picture, followed by hints of green pepper and graham cracker. Then, boom, baking spices launch into a lovely medium to long finish.

—Vol. 26, #4
