year old (distilled 2003)**

54.2%

This gorgeous whiskey has taken on a lot of sherry character from the refill sherry hogshead: cherry, prune, chocolate orange, baked pineapple chunks, and toasted spice. A good weighty structure boasting deep citrus intensity, with ginger and pepper snapping at its heels; a sensation only intensified with water. Lush fruits, butterscotch, and milk chocolate, with a finish of lively spices, stone fruits, and zesty orange muffins.
