

Ohishi Brandy Cask

41.6%

Lemon, lime, ripening apple, spring florals, clementine, and pear, among lilting sweet brandy notes. Calming, contemplative, and restful aromas. The mouthfeel is slightly musty, almost granular, with creamy light vanilla and juicy lemon and lime. The tip of the tongue burns brightly with warm spices. It grows heavier, the tastes shifting to lemon bonbons as the spice is annulled. A dying gasp of lemon peel, candy sweetness, and aromatic spices.
