42.8%

Supple nose of lychee, ripening peaches, candy hearts, watermelon, allspice, and white pepper. A light, slightly syrupy texture with an underbelly of watermelon and raspberry, this year's release unwraps peach, nectarine, rhubarb, and custard candy, fruit Life Savers, stewed fruits, red berries, and light citrus. It's surprising just how much flavor is packed into this rice whisky. Finish is dry—the watermelon is gone. (4,411 bottles)
