Collection Treacle
Chest**

46%

The new Wemyss Family Collection includes two blended malts; this is the better of the pair. Raisin, date, fruitcake, stewed apple and plum, cumin, coriander, allspice, and new leather leave little mystery about the role played by the sherry hogshead. Gingerbread, plum, and dark orange draw the mouth. Fruity sweetness, but never sugary; there are jam tarts, walnut, and minimal interference from the spices until the dry finish.
