

**Glenfiddich Winter  
Storm 21 year old  
43%**

Glenfiddich's Experimental Series continues with this expression, finished for up to 6 months in ice wine casks sourced from Peller Estates winery in Ontario, Canada. Concentrated aromas of canned peaches in syrup, vanilla, and clotted cream. Silky on the palate, with a carryover of peaches from the nose and succulent blood oranges. The finish is medium in length, slowly drying, but fruity to the end. (7,800 bottles in U.S.)
