

Bruichladdich 1986

44.6%

This expression was distilled in December 1986 and filled into seven oloroso sherry butts. In 2012 the whisky was transferred to Pedro Ximénez butts for finishing. The nose yields sultanas, figs, old leather, and white pepper.

Very sweet fruit notes on the palate, almost sugary, with background rich sherry, dates, and treacle. Long and warming in the finish, with a wisp of smoke and fruit spices. (4,200 bottles)

—Vol. 27, #1
