08.1
59.3%

Distilled in 2008 from 100 percent Scottish barley peated to 167 ppm. It spent 8 years in first-fill American oak casks. Peaches dipped in hot plain chocolate and tarry peat on the fragrant nose. The palate offers sweet, creamy orchard fruits and honey, backed by citrus-laden peat. Drying in the finish to quite a bitter, tannic smokiness. (42,000 bottles)
