

Compass Box Phenomenology

46%

The nose has honey, caramelized apples, Pixy Stix, pears in cream, faint pepper, ground coriander, and salty driftwood. It's teeth-coating with golden syrup sugariness, the silky texture meting out pears, apples, sweet barley notes, and crunchy spices, before a vanilla phase gives way to black pepper, licorice, and smoke. Mouth-numbing finish of long-active spices over vanilla.
