Think carnival aromas—the good ones, anyway—meeting the campfire. Cracker Jacks, cinnamon-covered almonds, popcorn, cotton candy, marshmallows melting over graham crackers, and hints of smoldering oak. Next, coconut, caramel, and cocoa over a buttery mouthfeel with hints of toffee, banana, baked apple, and pumpkin pie appear. Toward the end, hints of black pepper and raspberry strudel surface in a medium to long finish.

—Vol. 27, #1
