

**Barrell New Year 2018  
Limited Edition**

**55.6%**

Quince, coconut, raspberry, and chocolate walk into an array of breads—sourdough, cornbread, Lebanese pita, and pumpernickel rye. Soon a sweetness develops over earthiness. Think hazelnut latte paired with rich lentil soup, followed by jalapeño cornbread and honey. Its strength never shows, but that promise in the taste is not followed in the finish, which is shorter than expected. If the finish held up, it would be a much stronger whiskey.

—Vol. 27, #1
