

**Evan Williams Single
Barrel 1992 Vintage
(Barrel #1)**

45%

Amber chestnut color. Rich, sweet aromas of toffee, maple syrup, soft candied fruit, and molasses, balanced by an oaky dryness and subtle spice notes. Thicker and fuller in body than previous vintages, with a somewhat silky texture. On the palate, the whiskey begins smooth and sweet, with notes of maple syrup, toffee, and soft ripe fruit, gradually increasing in intensity as spice (vanilla, subtle mint) and oak notes kick in. Lengthy finish.
