

**Orphan Barrel**  
**Entrapment 25 year old**

41%

A captivating nose presents hints of polished leather shoes and clean oak. Less sweet than expected, Entrapment goes straight to long-evolved high esters, dried figs and dates, green fruits, and soaring fruity floral notes. Its spicy finish lasts forever. This very complex and tightly integrated whisky has all the woody, acetone-like glories of long-aged scotches. Then finally, some barley sugar, but only after sitting long in the glass.

—Vol. 27, #1
