

**West Cork Glengarriff  
Series Peat Charred  
Cask**

**43%**

An innovative approach to  
flavoring casks by charring the  
staves with burning peat, this  
whiskey develops a smoldering  
nose of dark chocolate brownies,  
dry wood smoke, and cocoa  
sweetness. The impact of the peat  
is confined to the nose, but it  
tastes pleasantly oily, with tangy  
citrus, Jolly Rancher hard candy,  
chocolate cake, spices, fizzy  
candies, and coffee notes. The  
finish of nutmeg, cinnamon, clove,  
and dried peel rounds off an  
extremely tasty whiskey. (4,800  
bottles)

—Vol. 27, #1
