

Midleton Very Rare

2017

40%

This year's edition contains some of the oldest whiskey they've ever put into Very Rare. A pronounced spicy nose, with sweet barley, dried apple, crisp grains, sweet baklava, and squishy cubes of rose-scented Turkish delight. In the mouth, it's incredibly smooth and glossy; quite honeyed, subtle soft fruits, raspberry, apple, mixed peel, butterscotch, baked orange, and a hearty spice core. A creamy finish, where the spices outlast the fruit.
