

Ohishi Kaito's Cask

41.8%

Spicy rice crackers, plum sauce, bramble jelly, fragrant oriental spices, and the polished leather of new shoes from this single cask, sherry-matured rice whisky. The syrupy texture bursts with juicy red fruits, plum, red currant, pomegranate, and cooked peach, all bolstered by peppercorns and ground ginger. An enchanting harmony is struck between the fruits and the spice, though the finish is short, with sherry notes and spicy remnants. (660 bottles)
