

Kurayoshi Sherry Cask
3 year old

46%

Nutty dried fruits, pear and apple, light pepper, and an old knob of dried ginger. The sherry notes are more reminiscent of amontillado or palo cortado. The sherry works well with the whisky, bringing dried peels, nuts, golden caramels, and spicy pepper, the latter surging forth to dominate the last remnants of fudge-like sweetness. Attractively tasty, this has a finish of juicy peel, clove, and pepper.
