Heady with spring blossoms, mixed peel, cantaloupe, green banana, and taffy candy, with a fine thread of spices running through it. A hesitant opening, it wallows in gentle apple and orange before a strong tangerine streak appears, the mouthfeel becoming weightier, drawing through flavors of peppery herbal salad leaves and vanilla cream. The spices take the lead from then on, the fruit fading quickly in the peppery afterglow. (1,440 bottles)
