

**Kurayoshi Sherry Cask**  
**8 year old**

**46%**

Age adds a richer, creamier note suggestive of lighter styles of sherry, more fino or manzanilla, perhaps a cream sherry. The fruit note is more rounded, the nutmeg, clove, and pepper deliver a stronger kick. Ripe yellow fruits with melon and apple, not too sweet, followed by a sharper edge of light sherry. By comparison, the younger whisky has more fruit to balance out the nippy spices. (720 bottles)
