

**Mackmyra Moment**  
**Körsbär**

**47%**

This rufescent whisky evokes aromas of cherry blossom, kirsch, white pepper, and wood spices. Light cherry syrup, caramel, and toffee, with a strident eruption of black pepper and clove that sets the underside of your tongue alight. Körsbär is Swedish for cherry and the fat red berry flavors leave a lovely warm glow inside. Despite its color, the sweet cherry wine finish has been judged to perfection.
