

## Bushmills Port Cask Reserve

40%

Sweet honey daubed on ripe plums, an abundance of barley notes, black cherry, and a smattering of exotic spices. Juicy notes of cherry, plum, peach, and strawberry, with undertones of peppery spice. The flavor fills out with lovely malty notes, Quaker Oats, and vanilla. The port cask has really complemented the Bushmills character, and this second edition in the Steamship collection is the best in the series to date. (£99; Global Travel Retail only)
