

Finger Lakes Distilling McKenzie Rye

45.5%

A beguiling nose, replete with cinnamon crumble, blueberry bubble gum, and cardamom. This whiskey bakes you a blackberry pie with a flaky crust and vanilla whipped cream, rounded out with cinnamon, dill, and oregano. The finish has clove-spiced orange peel, lingering sweet marshmallow, and a surprising minerality. This is at least a year older than some of the other Empire ryes, and it shows. Craft skeptics, seek this out. [Empire rye](#)
