

**Sierra Norte Single
Barrel Black**

45%

A deeper corn note than White, the Oaxacan black corn retains a firm nugget of sweetness, aromas of banana skins and dusty earth.

To sip, it's creamy, cool, and refreshing, with light mandarin flavors, gingerbread, corn fritters, vanilla, and peppery heat from the French oak cask. The finish has gentle warmth, with root ginger and kernels of roasted corn.

Distinctive and highly promising.
