

Cleveland Underground Bourbon Finished with Apple Wood

45%

Juicy Fruit gum, Kool-Aid, sugared orange gumdrops, and candied papaya and mango meet fresh-cut lumber on the nose. The palate has notes of bruised banana and juicy guava, with assertive wood and cocoa powder to balance the sweetness. *This whiskey has been matured using alternative aging technology.* Actual Time in Barrel: varies, but usually around 3 months; Processing: Distillate from Indiana and Ohio is aged in new charred oak barrels before undergoing Cleveland's proprietary process using apple wood pieces.

—Vol. 27, #1
