

## Singleton of Glendullan

### 18 year old

40%

Of the three Singleton bottlings, Dufftown is aimed at European markets, Glen Ord at Asia, and Glendullan at the U.S. The oldest expression in the Singleton of Glendullan stable, this boasts a nose of brittle toffee, dried fruits, and new leather. Nutty toffee, drinking chocolate, banana split, and coconut on the smooth, soft palate. Peppery almonds in the slowly drying finish. Good value for the money!
