

Peerless (distilled at Highland Park) 1967

40.3%

Bright gold color. Soft aromas and flavors of delicate honey, heather, subtle spice, tropical fruit, creamy vanilla, and malt. Nicely balanced throughout the palate and very clean-this whisky was aged in an excellent cask. There are no off flavor notes from the wood at all, nor is it too woody on the finish. Rather, it finishes soft, gentle, and clean.
