Lemon meringue pie, flaked almonds, cereal bars, almost porridge-like, enlivened by the tiniest pinch of allspice. A ferocious peppery intensity saves itself for the palate, where it tramples all over the lemon zest and apple flavors without mercy. Once the conquering spices call it a day, this is a sweeter concoction, with soft fudge, brown sugar, and blueberry muffin. In the finish, the allspice has the final word. (Batch 3; 162 bottles)
