

**Compass Box Oak Cross** 

**43%**

Compared to Asyla, this has noticeable added richness, fruit, and spice. The nose brings apple danish, creamy custard, honey, citrus peel, and the fragrance of lightly toasted spices. Against a core of rich, tangy fruits, a spicy partnership of pepper and clove manifests under the tongue, stealthily curls around the sides, and storms the palate. The mouth-coating finish drips with mandarin and cooked apple pierced by clove.
