

### **Buffalo Trace**

**45%**

Effervescent, tingly mouthfeel, but the flavor begins after the initial warmth, with hints of caramel apple, pumpkin pie, apricot, and a slight hint of caramel popcorn.

Then it's pumice, apricot, and marmalade, followed by salt water taffy, cinnamon, and a big burst of nutmeg. A long finish offers a hint of peach pie.

—Vol. 27, #2
