

**Savage & Cooke Second  
Glance American  
Whiskey**

**44%**

A sourced whiskey of 95% corn, finished in wine barrels from winemaker Dave Phinney. This makes a super first impression, with Bit-O-Honey candy, eucalyptus, black cherry, cinnamon hearts, violet candies, and sandalwood. The flavors pour layered and complex, with clove-studded orange, flickers of rye spice, and pure, crystalline sweetness balanced with lemony lift. Laser-like spice, sweet caramel corn, and more floral notes dance across the long finish.

—Vol. 27, #2
