

**Virginia Distillery  
Company Brewers  
Batch (Batch #001)**

**46%**

Delicate, floral, sweet, and reminiscent of a Lowland malt with its Creamsicle nose. Flavors of papaya, bright citrus, and green tea are nicely balanced with the perfect touch of smoke on the pleasingly oily palate, while the long finish smacks of baked apples, cocoa, and minerality.

Wonderfully balanced and moreish, this is a happy marriage of Scotch whisky and Virginia single malt whiskey finished in a cask that previously held Wee Heavy style beer. (1,500 bottles)
