

**Rieger's Kansas City
Whiskey**

46%

Seems to show good maturity on the nose, with nutty, herbal, woody, and husky grain aromas. The notes of warm porridge with brown sugar portend the sweet palate, almost cloying with ripe red fruits. Warm, chocolaty, and spicy, but the somewhat hot finish and dusty oak floorboard quality don't leave the best lasting impression.

—Vol. 27, #2
