

Pearse The Original

42%

Ripe yellow fruits, summer florals, satsuma peel, anise candy, and, unexpectedly, a catch of smoke at the back of the throat.

Interestingly, the malt in this blend was made elsewhere, on the stills now installed at the Pearse Lyons Distillery in Dublin. Mellow, with tropical fruits, melon, and citrus. It becomes quite tangy, with a growing dominance of spices, ginger, and pepper. Shades of sourness creep in, heralding a light, spicy finish. (KY, GA, and FL, with expansion planned)
