Imagine there's a janitor sweeping up the bisected fruit fallen from that fruit-slicing app: cherries, cooked peach, lingonberry, orange peel, fresh apple, fruit syrup, waxy leaves, and taffy chews. Plump mouthfeel with sweet baked fruits, it's sticky and concentrated with a fabulous fruitiness at this strength. Sugared apple, baked orange, tart plum, clove, and aniseed. Unpeated and matured for around 7 years. A lot of buck for the bang. (1,500 bottles)
