

North of 7

45%

A mash of 95% local rye and 5% malted barley is distilled on the grain, then matured for 3-plus years in new, custom toasted, full-sized bourbon barrels. Expect loads of vanilla and bold barrel notes over dry grass and nutty clean grain. Despite the hot, spicy intensity, lovely mild sweet lemon notes come right to the front. Bottled barrel by barrel, so expect some minor variability. Look for a red stripe on the label. (Canada only) \$60 CAD
