

**The Classic Cask  
(distilled at Highland  
Park) 23 year old 1982  
vintage**

**43%**

Honey, vanilla, heather, and citrus are the major components of this Highland Park, with a hint of youthful peat in the background. Some polished oak kicks in on the palate towards the finish. A pleasant whisky for those who like a mature Highland Park without the sherry cask influence. (A Bayway World of Liquor exclusive.)
