×	Whisky	
×	The Macallan M Black 45% This 2017 release includes spirit from three sherry-seasoned hogsheads and three butts, some	×
	of which had previously held a peated whisky. The nose offers familiar dark chocolate, dried fruit, sultanas, and ripe cherry notes, with a whiff of woodsmoke. More dried fruits on the rich palate, with coffee grounds, ginger, and sherry	
	merging with subtle peat. The finish is luxurious, with smoky raisins and pleasing wood spice. (40 bottles for U.S.)
