

**Glen Grant 15 year old**   
**Batch Strength**

**50%**

Described by its distillers as “the most intensified expression” of Glen Grant, this was matured in first-fill bourbon barrels and is non-chill filtered. The nose is fresh and floral, with rose petals, Turkish delight, and cinnamon. Supple on the palate, clean and fruity, with developing soft toffee, pear drops, ginger, and a floral carryover from the nose. The finish is medium in length, with slightly astringent oak.

—Vol. 27, #3
