

Port Charlotte 10 year old

50%

Distilled from Scottish barley, this is the first permanent age-statement Port Charlotte bottling. First and second-fill American oak and French wine casks were used for aging. Rock pools, lemon juice, caramel, but little overt peat on the nose. The palate boasts big orchard fruit notes, smoky coconut, and brine. Again, the peat is quite muted. Long and spicy in the drying, peaty finish.

—Vol. 27, #3
