

**Port Askaig 8 year old**   
**45.8%**

This addition to the Port Askaig range is presented with natural color, without chill filtration, and matured in refill American oak casks. The nose presents light peat, ozone, and faint medicinal notes, becoming saltier and spicier with time. Bracing. Woodsmoke, kippers, grapefruit, and lime on the palate. The finish is sweet, with receding smoke.
