

Compass Box Delilah's 

XXV

46%

Dried heather, peppercorn, salt crystals, green fruits, dried fennel, aniseed, dry leaves, and floral top notes produce a lip-smacking bouquet like a chilled manzanilla.

The palate has vanilla tablet sweetness like the previous Delilah's release, though this is bottled at higher strength, with flavors of dried fruits: peach, apricot, and mandarin. (8,520 bottles)
